A Message From Administration

Dr. Juanita DiGioia, Assistant Principal

Dear Seniors:

It has been an absolute pleasure working with and getting to know each of you as your Assistant Principal over the past few years. The connections we have made and the resilience you have demonstrated in order to attain numerous exceptional goals makes me incredibly proud and thankful that I could be part of this process! Whether you plan to go to college, join the armed forces or go straight to work I have no doubt that you will demonstrate our DR Core Values of Respect, Responsibility, Independence, Integrity, and Excellence in your daily lives. You will continue to make the Dighton-Rehoboth community proud of all your accomplishments for years to come!

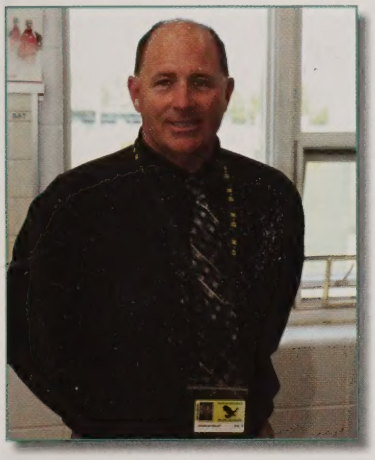
I have been so fortunate to get to know this class and create long lasting memories. I have enjoyed watching you grow and mature into the young adults you have become. Attending sporting events, Mr. DR, talent shows, music concerts, NHS Induction, Award nights and theater productions has allowed me to get to know you as individuals and see the many talents and accomplishments each of you have been able to achieve. The DR Pride shown during Spirit Week and pep rallies were outstanding! It was great to see you demonstrating true team work and collaboration in order to support those in need in your communities. Each of you are truly the DR Difference!

I know things will never be the same with the class of 2017 graduated! You are individuals! You are intelligent, hard-working, respectful students and you have so much to offer! Push yourselves to reach your highest potential! Never underestimate what you are able to achieve. Create goals and crush them! Anything is possible with hard-work and resilience! Never give up on yourselves and the world and all it has to offer is in the palm of your hands! Life isn't always going to be as easy as it was in high school. Life has many challenges so learn from each of them. Take one day at a time and strive for success! I wish each of you the absolute best! It has been a true pleasure building positive relationships with you over the last few years. You will be missed! Take care and make a difference!

Best Wishes,
Dr. DiGioia
Assistant Principal

Mr. Kevin P. Braga, Principal

Looking back at these past four years, I realize how much I have enjoyed witnessing your growth. When you came in as freshmen, and I served as your Assistant Principal, it was immediately clear to me that this class was full of fun and excitement. Please know that it has been an ongoing honor since then to be your Principal, and though my professional endeavors have taken me elsewhere, and my new responsibilities have kept me from watching you cross the stage at graduation, I hope I can be counted as having been with you in spirit. I have always valued our time together and truly wish you all the best of luck. I look forward to hearing of your experiences and successes as you have grown into mature young adults. I hope you will continue to embody the DR core values and stay focused on making your dreams realities. Best of luck, Class of 2017. Continue to make us proud.



Mr. Douglas Kelley, Dean of Athletics and Student Activities

To The Class of 2017

As you look back over the past four years of your high school career, it becomes just a blur. Hopefully, it is also full of wonderful memories, good friends, and a platform for you to begin the next step in your life's journey.

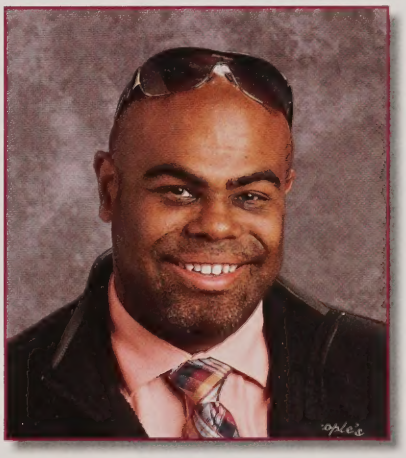
No matter what direction you will take, I hope that we have instilled in you the tools that you will need to tackle all that is ahead of you.

Remember that Dighton-Rehoboth High School is, and always will be, home.
So congratulations to the Class of 2017 and to your families for all the love and support they have given you to get you to this point in your life.

From all of us here at Dighton-Rehoboth ..... Bravo!

You make us the DR Difference!

Dr. Bruce Tench, Assistant Principal



To the Class of 2017, congratulations!

You have completed one of the biggest mile stones in your life- graduating from high school. You should be extremely proud of that accomplishment. Education is the key that will open the door of success and opportunity. Always aim high and never settle for less. Strive to be the very best person you can be. It is my wish that each of you look back on your high school years and remember that nothing you have been through will be wasted. Look to the future with patient eagerness and excitement. On this day, you stand on the precipice of greatness. Embrace that greatness and all its possibilities. Best of luck in all your future endeavors and continue to make us proud!

Dr. Anthony Azar, Superintendent

To The Senior Class of 2017:

"I would like to congratulate each of you as well as your family on one of the many accomplishments you will receive over the course of your lifetime. It is with pride that I send this congratulatory message. Always remember those individuals that have supported you as you reflect upon your graduation day. Also, when you choose your pathway to a career make sure it is something you truly enjoy."
